

**ZOLIJS**  
Il Briccolone

## SICIS

The limited edition Marilyn Monroe Collection for Sicis inspired by pictures of Milton H Greene is part of Sicis Art Gallery. The photograph is from the actor's personal archives and was done by Frank Powolny circa 1950.

## SUNIL SETHI DESIGN ALLIANCE

National Award winner Thota Vaikuntam's painting is remodelled as a limited edition art carpet. Meticulously handwoven in 100 per cent New Zealand wool, it is manufactured by Design Alliance, retailed under Floored by Art.

## ODYSSEY

Kinetic Collection by Ruchika Grover explores energy in motion – the 3D illusion of movement of the patterns. Panels can be adjusted in proportion to create a facade, mural or a feature wall.

## ZOLIJS

Michele De Lucchi's Il Briccolone bookshelf, part of the Le Briccole di Venezia project by Riva 1920 is made entirely of unfinished oak wood from Venice's lagoons, reused to create this eco friendly product.

## K2INDIA

Inspired from cathedral pipe organs, The Organ Bar uses ebony wood dowels of different lengths and diameters; the back is made using MDF with a high gloss finish while the inside may be laminate, glass, stone or leather, and can be completely customised.
